gories: - Woodworking tags: - bookplate - boring posts - prototyping — This
morning I began a boxboard mock-up of a set of pidgeonholes for stationery;
more on that later. I’m also thinking about the possibility of a bathroom cabinet.
I am working again on my bookplate, this time with a view to printing in full
colour (I am discovering just how little I know about Illustrator). The weather
is so lovely at the moment and I really want to go to the beach... And ooh err:
it’s remembrance day; how much that means to me!
